Dec 18, 2001 **New York:** Networking Event  
35 women involved in hedge funds were invited to meet for a social gathering to become better acquainted with one another. 60 people arrived, including allocators, marketers, journalists, portfolio managers, securities analysts, product managers and service providers. The group had a universal desire to "do something". As a result, **100 Women in Hedge Funds** was launched as a new industry organization.
