### **Ashley Jones Tagatac, Tagatac & Co., LLC**

Ashley Jones Tagatac founded Tagatac & Co., LLC in September, 2004. Tagatac & Co. provides a full range of consulting services to the hedge fund and investment management communities. Ashley brings 18 years of Wall Street Experience to her new firm.

Prior to establishing Tagatac & Co., Ashley was a Senior Vice President with Lehman Brothers in New York City for two years. As a Senior Sales Manager in the Equity Finance Group (also known as Prime Brokerage), Ashley and her team was responsible for selling clearing, financing, and start-up services to hedge funds. She was also an active member of the on-campus recruiting team for Lehman and was an active mentor of both men and women. Ashley continues to mentor several individuals today.

Ashley spent the majority of her career at Morgan Stanley & Co. From 1988 to 2002, Ashley held several sales positions in Global Custody, Global Derivatives, Global Pensions and Global Prime Brokerage; she rose to the position of Executive Director reporting to both the head of sales and marketing for Prime Brokerage and the head of the Global Pensions Group.

In addition to selling prime brokerage services to hedge funds, institutional investment managers and pension funds, Ashley completed several projects for senior management including Pension fund/consultant education, recruiting and new business evaluations for fixed income and quantitative arbitrage strategies. .

Ashley began her career as a Personal Banker with Irving Trust in 1986. She has a BSBA from Georgetown University's School of Business and currently lives in Stowe, VT with her husband and two children.
