### **Elise Rosenberg, Senior Managing Director of Structured Equity Products, Bear Stearns**

Elise Rosenberg is Senior Managing Director of Structured Equity Products at Bear Stearns specializing in marketing over-the-counter equity derivative solutions to hedge funds and fund of funds. She has been working in structured derivatives at Bear Stearns since 1998. Prior to earning her MBA at New York University's Stern School of Business in 1999, Elise worked at investment manager Lord, Abnett & Co. in Equity and Fixed Income Sales for privately-managed accounts and mutual funds in strategic marketing and client liaison capacities. At NYU Stern, she was a Teaching Fellow for Data Analysis and Modeling (MBA1 Statistics) and Vice President of the Graduate Finance Association. She earned a B.S. in Applied Economics and Business Management from Cornell University in 1993.

While at Cornell, Elise served on the Board of Trustees and its Investment Committee. More recently, she was on the Board of Directors of the Cornell Club of New York. She is an active member of the 100 Women in Hedge Funds organization. Elise has sat on panels discussing building a career in finance, specifically sales and trading, at NYU Stern, Cornell and Bear Stearns. She recruits and mentors Bear Stearns analysts and associates. In addition, Elise served on the Executive Committee for the Professionals' Alliance of Citymeals-on-Wheels and actively fundraises for her two alma maters.
