Helenmarie Rodgers, Managing Director, Prisma Partners

Helenmarie Rodgers is a Managing Director and Head of Institutional Business Development at Prisma Capital Partners, a \$2.2 billion hedge fund of funds.

Before joining Prisma, she was a Managing Director of Institutional Client Management at JPMorgan Alternative Asset Management (JPMAAM), an \$8 billion hedge fund of funds manager. She became a Managing Director of JPMAAM after being Head of Marketing and Product Development for Chase Alternative Asset Management, a predecessor firm to JPMAAM.

Prior to joining Chase, Helenmarie was a portfolio specialist for several hedge fund of funds and feeder funds at Union Bancaire Privee (UBP), a \$6 billion Swiss investor in hedge funds. Immediately prior to UBP, she was a Senior Vice President at the World Gold Council in Geneva, Switzerland.

She began her career as an Associate in both Corporate Finance and Fixed Income Capital Markets at Salomon Brothers in New York.

Helenmarie obtained her BS from Tulane University and her MBA from The Wharton School, University of Pennsylvania.
